At the bottom, a message says "Showing 1 to 1 of 1 entries (filtered from 5 total entries)" and there are "Previous" and "Next" navigation buttons.

Add Quiz Page

The screenshot shows a web browser window for 'localhost/online_quiz_system/exam.php'. The main content area displays a table of existing quizzes and a modal dialog titled 'Add Exam'. The modal contains fields for 'Quiz Title' (Exam title), 'Duration' (Select dropdown), 'Total Question' (Select dropdown), 'Marks For Right Answer' (Select dropdown), 'Marks For Wrong Answer' (Select dropdown), and 'Status' (Select dropdown). At the bottom of the modal are 'Save' and 'Close' buttons. The background shows a grid of user profiles and a navigation menu with 'Quiz' and 'Users' tabs.

ID	Quiz Title	Duration
1	PHP Test	1
3	JavaScript Test	2
4	HTML Test	5
6	Perl exams	5
7	Python test exam	2

Edit Quiz page

The screenshot shows a web browser window for 'localhost/online_quiz_system/exam.php'. The main content area displays a table of existing quizzes and a modal dialog titled 'Edit Exam'. The modal contains fields for 'Quiz Title' (PHP Test), 'Duration' (1 Minute), 'Total Question' (5 Question), 'Marks For Right Answer' (+1 Mark), 'Marks For Wrong Answer' (-1 Mark), and 'Status' (Created). At the bottom of the modal are 'Save' and 'Close' buttons. The background shows a grid of user profiles and a navigation menu with 'Quiz' and 'Users' tabs.

ID	Quiz Title	Duration
1	PHP Test	1
3	JavaScript Test	2
4	HTML Test	5
6	Perl exams	5
7	Python test exam	2

Add Quiz Question Page

The screenshot shows a web application titled "Online Quiz System". A modal window titled "Add Questions" is open in the center. The modal contains fields for "Question Title *", "Option 1 *", "Option 2 *", "Option 3 *", "Option 4 *", and "Answer *". Below these fields is a dropdown menu labeled "Select". At the bottom of the modal are "Save" and "Close" buttons. In the background, there is a table with columns "Id" and "Question", containing 5 entries. The first entry is "1 PHP Stands For?". The modal has a dark gray background and a white content area.

Edit Quiz Question Page

The screenshot shows the same "Online Quiz System" interface. A modal window titled "Edit questions" is open, displaying the details of a question. The question title is "PHP Stands For?", and the correct answer is listed as "3 Option". The modal includes fields for "Question Title *", "Option 1 *", "Option 2 *", "Option 3 *", "Option 4 *", and "Answer *". The "Answer *" field is set to "3 Option". The background table and other UI elements are visible but slightly dimmed. The modal has a dark gray background and a white content area.
